

## “Postpone the Plan/Protect Seine River Greenspace”

**Attend Precinct K Public Hearing about Seine River and Land Development  
Thursday, June 26 at 5:00pm**

**Where:** City Hall, 510 Main Street at the Riel Community Committee Meeting

**When:** Thursday, June 26, 2014 at 5:00 pm

**Why:** Attendance at this meeting is very important for the public to convey their views on the Precinct K development application. Public Hearings are open to all members of the public. You may:

- **speak at the hearing**
- **attend as an observer and indicate for or against the plan**
- **submit in writing before the hearing**
- **submit questions for information from the City or Applicant (developer) before or at the hearing**

**Description:** The Riel Community Committee will hold a Public Hearing regarding a land use development plan for Precinct K in St. Boniface, south of Royalwood and Island Lakes. The Public Hearing will give Winnipeg residents an opportunity to comment on a plan that includes lands along the along the Seine, Winnipeg’s second longest river. The approval of this land use development plan is being rushed, forever closing the doors to an opportunity to sustain and enhance greenspace along the Seine river corridor. With no overriding regional park plan the continuous corridor of the Seine River is threatened.

**Contact 311:** for additional info. The Riel Community Committee agenda will be posted 96 hours before the hearing at the City Clerks website <http://winnipeg.ca/clerks> The Precinct K plan is attached to the May 27 City Council agenda.
