Welcome to the Save Our Seine E-Blast! Dec 20, 2019

Happy Holidays!

Wishing you all the best for the holiday season from Save Our Seine!

Thank You for Your Support

**Thank you for your Support For
Our Funding from the City of
Winnipeg.**

We had an incredible mobilization of support to save the funding for Save our Seine from the City Winnipeg.

- Numerous people made submissions and contacted their City Councillors
- Over 40 people showed up at City Hall on Monday November 25th
- Incredible presentations and show of support for Save Our Seine
- We even had someone carrying a Canoe down Main Street!
- Many thanks to Denis Gautron and Michele Kading for media interviews.

We won't know the results of your efforts until the City announces their budget in 2020. But we just want to

thank you all for wonderful support!

Here are just a few of the presenters
from Nov 25th!

Thank you to all from Save Our
Seine!

Highway 101 Consultation

Highway 101 Consultation

Last year Save Our Seine had raised concerns about the proposed work on the Perimeter Highway at St. Anne's Road and had provided input.

Michele Kading, Executive Director, was asked to review the revised plans and noted that our request for an underpass corridor for wildlife and pedestrians has been incorporated in the most recent

design concepts.

Public Consultations on the design continue in the month of December.

Good news! Thank you to the consultants for incorporating our ideas.

Your Donation is Welcome!

Consider Making a Donation to Save Our Seine!

The work we are all doing together today along the Seine River Environment is making a difference!

We are making our city a better place to live, to help preserve our climate, to give our children and grandchildren a natural environment, to provide us with a wonderful greenspace in our urban environment and to help protect an abundance of flora and fauna.

A great deal of our good work happens due to the generous donations of individuals and businesses.

We want to thank all of our donors for your generous contributions!

If you are interested in making a donation:

- For your convenience, you can make a donation through **Canada Helps**.
- **Major donations or corporate donations:** Please contact Laurie Ringaert, President: Please Call: 204-797-2608.

We appreciate any and all donations. They really help us with all the good work for the Seine River Environment!
